

SAP SuccessFactors Packaged Solution

# Create a Culture of Continuous Learning that Leads to Business Results

Learn.it

## Create A Welcoming Environment for New Hires

The SAP SuccessFactors Learning packaged solution – also known as Learn.it -- provides innovative capabilities that help create a culture of continuous learning that leads to business results.

Learn.it is a powerful, easy-to-use learning solution that helps to improve skills, develop leaders, reduce compliance risk and more effectively engage your learning audience. You can also set competency-based development goals to reduce turnover and upskill your workforce.

Utilize content to support self-based training programs, and complement the formal side of learning with informal capabilities such as blogs, videos, multi-media playlists, Quick Guides and more.

For organizations that need to regulate, qualify and certify employees, Learn.it also allows you to automate and assure that compliance training is completed as required.

## Key Features

- Blended learning capabilities for developing employee skills.
- Automated assignment profiles to improve regulatory compliance and reduce legal risk.

## Business Benefits

- Manages complex certifications with retraining and effective dating.

## Rapid Deployment

What makes our packaged solution different? We deliver the SAP SuccessFactors Learning solution on a fixed implementation timeline and price.

You'll receive:

- Pre-configured best practice tools and content with flexibility to expand functionality in the future.
- An optimization workshop six months after launch to ensure that you're getting the best business value from your SAP SuccessFactors Learning solution.
